Sir:

Formal drawings were filed in the above-noted application on 15 October 2002 (copy attached as Exhibit A). The application issued as U.S. Patent No. 6,997,509 on 14 February 2006 with informal drawings (copy attached as Exhibit B). It is evident that the issuance of the '509 patent with informal drawings instead of the formal drawings is an error by the U.S. Patent and Trademark Office. Prompt issuance of a corrected patent with the formal drawings is requested.

Please direct any questions to the undersigned.

Respectfully submitted,
